CALENDAR ITEM

13.

AMENDMENT OF DREDGING PERMIT P.R.C. 2337.9, POINT KNOX SHOAL AND PRESIDIO SHOAL, SAN FRANCISCO AND MARIN COUNTIES, DIVISION OF HIGHWAYS - W.O. 4137.

On January 29, 1959 (Minute Item 6, page 4426), the State Lands Commission authorized the extraction of 600,000 cubic yards of material by the Division of Highways for use in the construction of the Webster Street Tube project, pursuant to the provisions of Section 101.5 of the Streets and Highways Code, from the area at Point Knox Shoal and Presidio Shoal, San Francisco and Marin counties.

An application has been submitted by the Department of Public Works, Division of Highways, requesting authorization for the removal of an additional 150,000 cubic yards of material in order to insure completion of the project. The additional material is to be removed from within the permit area as approved originally.

IT IS RECOMMENDED THAT THE COMMISSION AUTHORIZE THE EXECUTIVE OFFICER TO APPROVE THE EXTRACTION OF AN ADDITIONAL 150,000 CUBIC YARDS OF MATERIAL, IN ACCORDANCE WITH THE PROVISIONS OF SECTION 101.5 OF THE STREETS AND HIGHWAYS CODE, FROM WITHIN THE AREA COVERED BY DREDGING PERMIT P.R.C. 2337.9 ISSUED TO THE DIVISION OF HIGHWAYS, FOR USE IN THE CONSTRUCTION OF THE WEBSTER STREET TUBE PROJECT.
